### SUMMARY

#### Synopsis of Bill

House Bill 249 inserts language in the Public Finance Act to align numerical references related to the total program units to determine program cost related to National Board Certification.

#### Significant Issues

According to PED, the calculation of program cost including National Board Certification conflicts with NMSA 1978, Section 22-8-18, paragraph A which includes the sum of program units itemized to calculate program cost. House Bill 249 amends Section 22-8-18, Paragraph A.

### FISCAL IMPLICATIONS

House Bill 249 is technical in nature and does not have a fiscal impact.

**ADMINISTRATIVE IMPLICATIONS**

PED will continue to monitor the National Board Certification program.
